Santa Barbara Sacred Spaces, indexed on Google, offers high-quality, high-visibility spaces and links to publicize the services of retreat centers, faith communities, and practitioners in and around Santa Barbara who minister to spiritual seekers. While not a commercial enterprise, Santa Barbara Sacred Spaces does request the financial help of those institutions and individuals in the area whose presence should be more widely known. We trust that the site will reciprocate by providing a useful listing, link, or home page. Here are the guidelines for a current listing:

1. Please send your request to the site owner, Geneviève Neuman (e-mail: **genevieve@sacred-spaces.info**), who will review the proposed listing. Assuming that it is in keeping with the spirit of the Web site, high-quality space will be provided in return for a modest monthly or annual fee. Costs are generally no higher than the following:

- A reciprocal link to a Web site of similar focus and visibility..... Free
- A classified LINK to your Web site.....\$9/mo. or \$99/year.
- A DISPLAY AD (approx. 5 x 5”) with a photo, description, links, etc..... \$12/mo. or \$129/yr.
- Your WEB PAGE with one or two photos, a description, and links \$21/mo. or \$220/yr.

2. The Webkeeper, Dr. Thomas Heck (ph: 805-687-1632, e-mail: **admin@sacred-spaces.info**) will create the ad on the *Santa Barbara Sacred Spaces* site, or will design and build the applicant's web page to display optimally at this location, for a one-time fee based on the time involved (usually \$10 for a classified link, \$25 for a display ad, and \$50 for a one-page site with one or two illustrations).

3. Assuming that the Web server space required is negligible and that the listing remains a low-maintenance presence within the *Santa Barbara Sacred Spaces* site, no further hosting charges are usually made by the Webkeeper. If significant or regular changes need to be made, a \$25/hr. charge is requested.

Well-targeted “information” and “publicity” links or ads on this site can be extremely effective in attracting clients. Our fees are economical—under \$100/year for a prominent, highly visible link; around \$220/year for your own “home page” at the *Santa Barbara Sacred Spaces* Web site. Such a listing can be very beneficial for healing-arts practitioners, spiritual directors, and other individuals who wish to establish a tasteful Internet presence in good company—on the most prominent “Sacred Spaces” meta-site in the Santa Barbara area.
